

Introduction

My maternal grandfather Eugène Alfred Leclair was born on June 19, 1892 in Elbeuf (Rouen) and died July 10, 1960 in Catania on Sicily.

Elbeuf is a commune in the Seine-Maritime department in the Haute-Normandie region in northern France. Now a light industrial town situated by the banks of the Seine some 11 miles (18 km) south of Rouen.

He settled in Indonesia (about 1900 and left in 1955) and married my grandmother Marie-Rose, Françoise, Henriette, Denise Poupel in London in August 11, 1923. Then they left for Indonesia where Alfred was living. Denise was born in Paris on April 13, 1901 and died in Catania in 1977?
